December 2005 Vol. 4 No. 5

Feature Article

[Getting Noticed](#)

"For many professionals who hang out their own shingles that last concern -- finding clients -- is the most vexing."

Business

[Of mice and keyboards: The case for wireless peripherals](#)

"I'm here now to make a case for how wireless peripherals — that is, wireless mice, keyboards, printers, monitors, and so on — can also make your business more efficient, more productive, and, to boot, a more desirable place to work.."

[Red Carpet Treatment](#)

"Regardless of your job title, you can help to make the difference between whether a new recruit stays or leaves within the first 90 days."

[Greening Your Business: A Primer for Small Business](#)

"There are dozens of ways companies of all sizes can reduce their environmental footprints, save money..."

Clinical

Check out the newest addition of [PTPN Clinical Focus!](#) Discover what many other visitors to [ptpn.com](#) have discovered — one of most visited web pages that is full of articles from current literature reviewed by [Mitch Kaye, PT, PTPN Quality Assurance Director](#).

Medicare

[THE CAP IS BACK!](#)

Starting January 1, 2006, Medicare beneficiaries will have a \$1,740 cap on physical therapy services.

Emergency Preparedness **Have a plan!**

As a part of the Policy and Procedure Manual, OSHA Manual, as well as the Patient Safety Standards, PTPN requires that every practice have an Emergency Plan and Procedures. If you don't have one, or want to update the one you have, click on the links below for help.
