

## Feature Article

### [A Target-Rich Environment](#)

"Somewhere in California, maybe tomorrow or maybe next month, the quiet hum of the working day in a doctor's office will come to a jolting halt. The door will open, a team of professionally dressed men and women will enter, and one will pull out a search warrant."

## Business

### [Company Culture: Your Face to the World](#)

"Culture is the company's way of life. It's how the business functions, operates, handles stress and reinforces its staff."

### [Getting Noticed by the Search Engines](#)

"You've got a web site...but you're only getting a handful of visitors currently. What's the first thing to do to help people find your site?"

### [Corporate Responsibility and Corporate Compliance](#)

A collaboration between the American Health Lawyers Association and the Office of Inspector General that provides guidance regarding establishing a Corporate Compliance program.

## Clinical

### [Scoliosis Treatment...a Retrospective Case Series](#)

"In this study, we investigate the possible benefits of combining spinal manipulation, positional traction, and neuromuscular reeducation in the treatment of idiopathic scoliosis."

### [Acetabular Labrum and its Tears](#)

"Groin pain is a major cause of morbidity in athletes. Only in the last decade have acetabular labrum tears been recognized as possible diagnoses."

### [Prevalence of Facet Joint Pain in Chronical Spine Pain of Cervical, Thoracic and Lumbar Regions](#)

"The purpose of this study was to systematically evaluate the prevalence of facet joint pain by spinal region in patients with chronic spine pain referred to an interventional pain management practice."

## Medicare

### [Billing for PT and OT](#)

This page is a list of FAQs and where to find the answers in the Medicare regulations.

### [Appeals with Medicare](#)

Transmittal 97: Lays down the rules for Medicare's responsiveness to appeals.
