

**Announcing:
Updates to PTPN's easy-to-order
in-service and manual packages**

New manual & video options – save up to 20%!

PTPN has combined our most popular **compliance and practice management tools** into easy-to-order packages for our members. These are manuals and in-service presentations from PTPN and selected preferred vendors.

While you can still order these tools separately, ordering the packages not only saves you money (up to 20%) over ordering them individually, it also gives you an instant suite of tools for your practice. And you only need to pay one price to PTPN - we'll take care of the rest. These packages are offered exclusively to PTPN members.

PTPN Compliance Package – BASIC

PTPN Compliance Package – PLUS

PTPN Practice Management Package

See the following pages for descriptions of these packages, and use the order form on the last page to order.

If you'd like to order any of the individual manuals or in-services separately, please visit ptpn.com/learning and scroll down to view the individual items. If you have any questions, please contact Sonia Useda at suseda@ptpn.com or 818-737-0207.

Setting the Standards in Rehabilitation®

PTPN Compliance Package – BASIC

Package price: \$470

Standalone price for all components: \$540

PTPN member savings: \$70

Contents:

PTPN Corporate Compliance Manual Framework: This Word document is intended to provide a framework to enable a clinic to implement, operate and document a corporate compliance program which meets PTPN standards. It must be customized for the particular circumstances of the clinic using it. More details at <https://bit.ly/2kDJbiM>.

NEW - LWCI ComplianceEZ HIPAA Manual: A simple solution to HIPAA planning and compliance. The LWCI ComplianceEZ HIPAA manual provides your practice with information outlining HIPAA guidelines, policies and procedures, with an understandable explanation of HIPAA for you and your staff. The package includes a HIPAA quiz and attestation for your staff to attest to the plan, policies, procedures and training. You'll receive editable templates to use in Microsoft Word, as well as instructions to integrate and implement within your practice.

PTPN HIPAA In-Service Video: This video enables a clinic to present a HIPAA In-service for clinic staff that meets PTPN standards. Video accessed online for 45 days with emailed password.

PTPN OSHA Manual: This Word document is intended to enable a clinic to implement, operate and document an OSHA program that meets PTPN standards. It must be customized for the particular circumstances of the clinic using it. More details at <https://bit.ly/2kDJbiM>.

PTPN OSHA In-Service Video: This video enables a clinic to present an OSHA In-service for staff that meets PTPN standards. Consider ordering our OSHA Manual as well! Video accessed online for 45 days with emailed password, and Microsoft Word handouts delivered via email. More details at <https://bit.ly/2kDJbiM>.

PTPN Compliance Package – PLUS

Package price: \$1,025

Standalone price for all components: \$1,179

PTPN member savings: \$154

Contents (*indicates items not available in the Basic Package):

***PTPN Personnel Handbook:** This Word document is intended to enable a clinic to implement, operate and document human resources policies and procedures for the practice. It must be customized for the particular circumstances of the clinic using it, and for any applicable state law. More details at <https://bit.ly/2kDJbiM>.

***RAN Policy & Procedure Manual for Outpatient Physical Therapy, Occupational Therapy and Speech Therapy:** The manual is designed to provide a template for an outpatient rehabilitative care facility creating a comprehensive policy and procedure manual outlining normal business and provision of services practices. It is not intended to be either a manual providing complete direction for HIPAA Compliance, Corporate Compliance, Risk Management, nor OSHA Compliance. It is intended to provide a guide for establishment of policies and procedures for such compliances in each facility. Likewise, as labor laws vary by state, each practice should adapt all employee and employment policies to reflect the requirements of their state of practice, as well as the policies of the practice.

***NEW - LWCI ComplianceEZ Corporate Compliance Manual:** This manual has been developed to assist practice owners with their compliance programs, as well as serving as the compliance program annual update. It includes a customized outlined Compliance Plan, instructions to integrate and implement your plan, editable templates to use in Microsoft Word, and employee attestation forms for compliance policies and procedures.

NEW - LWCI ComplianceEZ HIPAA Manual: A simple solution to HIPAA planning and compliance. The LWCI ComplianceEZ HIPAA manual provides your practice with information outlining HIPAA guidelines, policies and procedures, with an understandable explanation of HIPAA for you and your staff. The package includes a HIPAA quiz and attestation for your staff to attest to the plan, policies, procedures and training. You'll receive editable templates to use in Microsoft Word, as well as instructions to integrate and implement within your practice.

PTPN HIPAA In-Service Video: This video enables a clinic to present a HIPAA In-service for clinic staff that meets PTPN standards. Video accessed online for 45 days with emailed password.

PTPN OSHA Manual: This Word document is intended to enable a clinic to implement, operate and document an OSHA program that meets PTPN standards. It must be customized for the particular circumstances of the clinic using it. More details at <https://bit.ly/2kDJbiM>.

PTPN OSHA In-Service Video: This video enables a clinic to present an OSHA In-service for staff that meets PTPN standards. Consider ordering our OSHA Manual as well! Video accessed online for 45 days with emailed password, and Microsoft Word handouts delivered via email. More details at <https://bit.ly/2kDJbiM>.
